

MILLS FOR BUGGIES!

We are not The Whole Thing

In the buggy business,
but we are a **BIG SLICE**,
and we know how to
save you money!

We sell you better buggies
for the same money because
we do not depend on buggy
sales alone for our profits. We
have a large line of other goods
in daily demand. We can sell
for less profit than if we had
to depend solely on buggy sales

WE REPRESENT THE LARGEST AND BEST MANUFACTURERS

Such as the Geo. Delker Co., for 42 years the leading
makers of high grade vehicles in the South; and the
Delker Bros. Buggy Co. We buy in large lots for **CASH**
and **CAN** and **WILL** sell you a buggy for less money
than you can get the same quality elsewhere. **DON'T**
FAIL TO SEE US.

J. R. MILLS, THE BUGGY AND HARNESS MAN.

Longfellow's Alphabet.

All things come round to him who
will but wait.
Be still, sad heart, and cease re-
pinning for behind the clouds is
the sun still shining.
Childhood is the bough where
slumbers birds and blossoms
many numbered.
Death is the brother of love, but
is more austere to behold.
Each man's chimney is his golden
mile-stone.
Faith shineth like a morning star.
Greater than anger is love.
He that o'ercometh hath power
o'er the nation.
Intelligence and courtesy not al-
ways combined, but often in a
wooden house a golden room
we find.
Joy, temperance and repose, slam
the door on the doctor's nose.
Knowledge is power.
Like unto ships far out at sea,
outward or homeward bound
are we.
Make not thyself the judge of
any man.
Not enjoyment and not sorrow,
is our destined end or way;
but to act, that each tomorrow
finds us further than today.
Our lives are rivers gliding free
to that unfathomed boundless
sea—the silent grave.
Patience is powerful.
Quickened are they who touch
the prophet's bones.
Resolve and thou art free.
Swiftly our pleasures pass away.
'Tis always morning somewhere,
and somewhere beyond the
awakening continent from
shore to shore, somewhere the
birds are singing evermore.
Upon virtue and upon purity be-
setteth the Christian faith.
Victory belongs to the great.
With what a glory comes and
goes the year.
'Xcelior.
Ye are better than all the ballads
which were ever sung or said,
for ye are the living poems and
all the rest are dead.
Zeal is a goddess fair.

Mother Indicted for Poisoning Her Children.

Paducah, Ky., April 8.—Mrs.
Mary Brockwell was today in-
dicted on three counts for poison-
ing her three children. George
Albritton, her alleged accom-
plice, was exonerated by the
grand jury and released.

Ascertaining losses by war opera-
tions is a very difficult task, and yet
approximate results have been se-
cured. It is noteworthy, but no oc-
casion for surprise, that the number
killed and wounded in war during
1904 greatly exceeds that of 1903 by
reason of the sanguinary contest be-
tween Japan and Russia, in which
lives have been recklessly sacrificed.
The total loss for the year is about
400,000, as compared with 86,000 in
1903, 25,000 in 1902 and 3,000 in 1901.

The most common adulteration of
butter is the use of artificial coloring
matters. Formerly only vegetable
colors such as annatto were employ-
ed, but in late years the develop-
ment of the chemistry of dye stuffs
has offered to the deft dairyman
many beautiful yellow tints, which
are not only cheaper but more easi-
ly mixed with the fat than the old-
fashioned vegetable colors. In the
United States, especially, has the
sin of butter coloring been pushed to
an almost unlimited extent, and it
is difficult to find upon our markets
uncolored butter, even in June.
